# Stockton Regional Public Agency Consortium

Where Local Small Businesses Connect  
with State and Local Agencies.

The SRPAC is a collaboration of state and local agencies, and small business\* assistance organizations. The SRPAC supports and promotes economic development of small businesses that provide commodities and services in the Stockton region and surrounding areas by providing:

- informational business development workshops
- financial resource assistance
- diverse networking events to enhance the ability to do business with various public agencies
- the maximum utilization in contracting and procurement opportunities
- information regarding qualification for:
  - ◆ governmental business certifications
  - ◆ diverse supplier certifications
  - ◆ other vendor programs

The SRPAC will connect local small businesses with local resources and procurement and contracting agents through transparent, collaborative, and cost-efficient means.

Agencies in pursuit of increasing Small Business utilization in San Joaquin and surrounding counties are welcome to participate in the SRPAC.

\*Small Business refers to and includes certified and non-certified small businesses, micro-businesses, startups, emerging businesses, veteran-owned businesses and Disadvantaged Business Enterprises.

## Get Connected

An Annual Small Business Exposition which connects small businesses with resources. Dozens of State and Local Agencies and Public Utilities participate to network and provide business opportunities. Workshops are presented on various topics including: State and Federal Certifications, Financing, and Social Media Marketing. The program objectives are to recruit, encourage certification of small, emerging and local businesses, foster regional economic development and to hold informational sessions on business contracting opportunities.

Get Connected—University of the Pacific, 2013

## Certifications Workshops

Our vision is to promote diversity for small businesses that provide commodities and services. The SRPAC assists businesses in acquiring proper governmental certifications at our local partners' facilities.

Panel Discussion—SRPAC Members, 2014

## Interactive Panel Discussions

"Get Government Business" is the theme of the informational discussions. This allows small businesses an opportunity to ask local agencies and utilities how they can bid on and win contracts.

Certifications Workshop—Monterey Bay PTAC, 2014
